Stephen A. Newstadt, Esq.

California Estate and Business Planning

Mission Statement

Welcome. At the Law Offices of Stephen A. Newstadt, we act as legal advisors and advocates for a variety of individuals, families and small business clients throughout the Los Angeles area. Our primary areas of expertise are in the areas of Estate Planning, Probate, Trust Administration, Business Succession Planning and Asset Protection.

Our fundamental objective is to provide outstanding legal advice to our clients in a timely, cost-effective manner. We take pride in our ability to solve the complex problems affecting our clients. Our innovative thinking, open and accessible atmosphere, and creative approach are the keys to meeting the needs of our clients, and have been for over 10 years.

We provide custom estate plans designed to avoid probate, eliminate or mitigate estate taxes to the greatest degree and to provide for a systematic approach to the succession of wealth from generation to generation.

Please contact us today for further information about how we can help you with your Estate and Business Planning needs.

Feature Article

Elder Law Elements

Good news, bad news. The good news: Americans are living longer than ever. The bad news: we eventually wear out physically, mentally, or both. In this issue we review two challenges: becoming incapacitated and going broke due to long-term (nursing home) care.

Read more about financial challenges facing senior citizens when it comes to planning for incapacity and long term (nursing home) care...

Business Owners Beware

The survival rate of family businesses from generation to generation is rather dismal. To help prevent your business from becoming an unfortunate statistic tomorrow, we review some common challenges for you to address today (before it is too late).

Buy-Sell Financing

One fundamental key to the survival of a family business is a properly funded Buy-Sell Agreement (BSA). In this article we consider three basic BSA flavors and the means available to finance their terms when triggered.
